

**How to find  
The Devon School of Shiatsu  
and the  
Holistic Cooking School / International Macrobiotic School**

**Buckvette Farm, Littlehempston, Totnes TQ9 6ND**

**Devon School of Shiatsu 01803 762 593**

**Holistic Cooking School / International Macrobiotic School 01803 762 598**

**From the A381 Totnes-Newton Abbot road**

**Coming from Totnes:** 2 miles outside Totnes take the left turning signposted to Littlehempston and the Tally Ho pub – on the main road look out for the bus shelter at the dip in the road. The turning is before the Pig & Whistle Inn.

**Coming from Newton Abbot:** turn right at the bus shelter, after the Pig & Whistle Inn.

You will go over a small bridge on a righthand bend, then under a railway bridge and over a narrow stone bridge. Turn right at the phonebox and postbox immediately after the second bridge, signposted to Staverton.

Give way to the right after 3/4 of a mile, and ignore the right-hand turning (to Hemsford and Broadhempston) immediately after that. After about 200 yards you will see a gateway with a white sign BUCKYETTE on the left, and smaller signs to the schools. Turn left into this gateway and past the lodge houses.

**From the A38 and A384 Buckfastleigh – Totnes road**

Turn left off the A384 at the wide turning with a sign to Riverford Organic Shop (ignore the earlier turning with a brown sign for Riverford lorry deliveries only) and drive on to the T junction at the level crossing at Staverton. Turn left (don't go over the level crossing) and on through the village past the Sea Trout pub. Turn right at the first sign to Littlehempston, then stay on this road past St Christopher's School on the left, and ignoring a second sign to Littlehempston at a crossroads. As the road rises then drops downhill, look out for the lodge houses and entrance to BUCKYETTE on the right.

**Arriving at Buckvette:**

After the righthand bend in the drive, turn left into the yard and park on the left, opposite the buildings. Please don't park in front of the buildings, as some of these are private residential – only the middle two are School properties. You can also park on the left of the main drive just after the turning into the yard, or near the bend before the yard, but other vehicles have to be able to pass at all times.

The office for both schools is at the blue door of the Shiatsu School. The Cooking School kitchen is at the red door. The Shiatsu Studio is the space with the picture window above the office and cooking school, but the door is at the back of the building up a flight of steps: walk out of the yard and turn left and left again.
